### **Gathering Power Training**

We are pleased to announce that Phil Gatensby will be offering the Gathering Power Workshop.

The Gathering Power training is transformational in nature and is designed specifically to help people to create a better, healthier life for themselves, their families, and their communities. It is no secret that our communities have been and are still struggling to address the impact of a negative time in our history.

The Gathering Power training will help the participants in moving out of a place where they cannot truly see their own self-worth. This training is created to help those who are bound by a negative program, both psychological and emotional in nature, to free themselves from a pattern of self-destruction, family violence, and negative social behaviours. It is designed to create a positive change by helping the participants to find a different point of reference in life.

**When:** January 30<sup>th</sup>, 31<sup>st</sup> and February 1<sup>st</sup>

**Where:** 2 mile hall

**Time:** 9 to 3 pm
